

Flat Keder

PREMIUM SRK / ELASTIC

Overview

The flat Premium SRK (Silicone Replacement Keder) is a recyclable non-PVC, top end product, with the same elasticity as the silicone strip. Advantages: the Premium SRK has no 'talk powder' on it, so no dirt on dark printed fabrics. The Premium SRK is recyclable. The flat keder is stitched onto printed fabrics and ensures the printed textile can be clamped into the aluminium profile and stretched into the frame. The scope of application for textile frames is very wide, such as: LED frames, Stand construction, Retail and interiors.

DESIGN	 Rectangle
